

EVENT ANNOUNCEMENT
2015 NASA Cost Symposium:
NASA Ames Research Center
Mountain View, CA
August 25-27th, 2015

The Cost Analysis Division sponsors an annual NASA Cost Symposium to bring together the entire estimating and analysis community at NASA. The NASA cost analysis community includes all Centers as well as HQ and represents an essential function to the agency.

- Symposium Date: 25-27 August, 2015
- Location: NASA Ames Research Center
 - 200 Dailey Road, NASA Research Park, Moffett Field, CA
 - Building 152
- Event Website: <http://www.nasa.gov/offices/ooe/Symposium.html>
- Event POC: ted.mills@nasa.gov

The format for the Symposium is traditional paper and presentation in a professional forum setting. Speakers and presenters will be given the opportunity to demonstrate and share their work with colleagues and professionals from the estimation and analysis community.

Members of the NASA estimating and analysis community, support contractors, prime contractors, academia, and from other government agencies are encouraged to attend.

Maps, registration, hotel listings, and information for NASA employees will be posted on the event website. Individuals interested in presenting at the event are encouraged to review our Call for Abstracts/Papers located on the event website. Electronic Abstracts will be due by close of business June 19th, 2015. All award nominations will be due July 10th. Separate announcements will be available with the requirements for each.
